ACTIVE SHOOTER / ARMED INTRUDER INTERDICTION FOR CIVILIANS

So called ACTIVE SHOOTER situations occur all the time. They happen everywhere. They have occurred on military bases, schools, churches and shopping malls. The shooter may be a deranged employee, a criminal or a terrorist. When these incidents occur, whoever is on the scene at the time is going to be the only life saving option available. That may be an off duty police officer, security personnel or an armed citizen.

This intense 2 day course is aimed at training armed professionals how to respond effectively to save lives. Conducted at one of the premier tactical training venues in the US, course content will include:

- Liaison with responding police
- Advanced first aid techniques
- CQB handgun techniques
- Handgun retention
- Team movement and communications
- Force on force role playing scenarios (schools, stores, public streets, etc. with Simunitions or other non lethal projectiles)
- LIVE FIRE shoot house drills
- Low light tactics
- Low light shooting techniques
- Employment of improvised weapons
- Catered lunch on site

Prerequisite: This course is NOT for the beginner. Registrants must document proof of recent handgun training at a recognized firearms school. In addition, everyone attending must present one of the following; a concealed carry permit from any state, a clearance letter from Utah BCI documenting a clean criminal history, a security license from any state, police or military ID. Failure to provide this documentation will result in the registrant being dropped from the course.
