

COUNTERTERRORISM INSTITUTE OF AMERICA, LLC

EST 2001

EMERGENCY LIFE SAVER

This 8 hour hands on course provides instruction to the average non medical person in treating serious trauma injuries, including gun shot wounds. Topics include: patient assessment, hemorrhage control, airway techniques, carries and lifts, triage. No medical training is required to take this course. Local police SWAT and/or military special operations medics teach this course. Realistic special effects make-up and simulated blood/ injuries are used along with sound. Music, sirens and other special effects are used to induce stress.

When: December 3, 2011 from 9am - 5pm

Where: Urban Warfare Center, North Salt Lake City, Utah

Registration - Tuition is only \$99.00 per person. Register online at www.combat-terror.com or Call us at **801-815-4193** for more information.
