# HANDGUN RETENTION/DISARMING, KNIFE DEFENSE

This is a 4 hr. course designed to teach the basic principles of handgun retention. That is to say the HOW TO of preventing someone from taking your handgun away from you and how to take it back if they do. Physical hands on drills are conducted with weapons in the hand and in the holster. Training is done both standing and on the ground. Although somewhat physical, the average person can complete the course. Live firearms are not permitted. Inert training guns are provided.
