

# Defensive Shotgun/Handgun

The shotgun is undoubtedly the most devastating of all hand held personal weapons. It is also the most versatile. More Americans own shotguns than any other type of weapon. This intense, 1-day course is designed to bring the average shooter to a strong level of defensive competence **FAST**. This is an all shooting class, encompassing the following topics;

- Learning how a shotgun 'patterns'
- Selecting proper defensive shotgun ammunition
- Selecting shotgun accessories
- Firing from unusual positions
- Firing on the move
- Firing from positions of cover
- Firing with either hand
- Changing loads
- Clearing malfunctions/stoppages
- Transitioning to the handgun
